#weareALTEN - the home of forward thinkers

Wir sind die Gestalter von heute für die Welt von morgen.

Als einer der weltweit führenden Entwicklungsdienstleister setzen wir uns bei ALTEN dafür ein, die Zukunft unserer Partner, die Karrieren unserer Mitarbeiter und die Herausforderungen für unsere Gesellschaft und Umwelt positiv zu gestalten.

Mehr als 50.000 Mitarbeiter in 30 Ländern arbeiten schon heute an innovativen Lösungen in verschiedenen Ingenieur- und IT-Branchen wie Automobil, Luft- und Raumfahrt, erneuerbare Energien, Medizintechnik und Bahntechnik.

**Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?**

**Find out more about the V.I.E programme at Voluntary program V.I.E – International career at [ALTEN Germany \(alten-germany.de\)](https://alten-germany.de)**

## A home where people learn and thrive

- **Talent Management** – we develop your career
- **Language skills** – improve your language skills in your daily work or in online language courses
- **Work Life Balance** – flexible working hours and mobile working possible
- **A to Z** – Private International Health Care
- **Your future** – possibility of permanent employment with ALTEN worldwide

...and of course we offer the usual standards such as 30 days holiday, many events, relocation support and corporate benefits.

## Make it happen

YOU...

- coordinate and monitor the qualitative project requirements at ALTEN  
ensure compliance with and further development of project management and quality standards
- advise and support the project management in the realization of the projects
- optimize the development projects as an interface between business management (sales) and technical management at project level
- are responsible for the independent preparation, implementation and follow-up of internal audits and project analyses, including follow-up
- collect key performance indicators to measure the efficiency of our development projects
- evaluate the analysis results and prepare documentation and quality reports

## Be our forward thinker

### YOU...

- have a degree in mechanical engineering, electrical engineering, industrial engineering, quality management or a technical qualification in the above fields
- have some practical experience - including internships or working student activities - in project management and/or quality assurance
- have strong communication skills as well as an assertive, goal-oriented and structured personality with a pragmatic "Quality Mindset"
- have very good German and good written and spoken English skills

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.
