

# Embedded Software Developer Electrical Appliances (all gender)

Munich

Reference Number: REF4653N

**#weareALLEN - the home of forward thinkers**

**We are the designers of today for the world of tomorrow.**

As one of the world's leading engineering service providers, we at ALLEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

**Make it happen**

**YOU...**

- design, extend and programm embedded software for electrical appliances
- are responsible for commissioning, securing and testing of the developed firmware on the target hardware
- do cross-team development at the interface between software and hardware
- document the results and coordinate with the development teams
- are responsible for adherence to the development process and coding guidelines

**Be our forward thinker**

**YOU...**

- have completed studies in electrical engineering, computer science or comparable field of study
- have knowledge of ARM Cortex microcontrollers and real-time operating systems (RTOS)
- are confident in handling Keil mVision DIE and debuggers like GIT

- gained experience with laboratory and measurement equipment such as logic analyzers and oscilloscopes
- have a good knowledge of English and German

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

### **Do you have any questions?**

Then contact me: Sophia Pollok (Tel.: +49 89/255552278)

Or apply now using our online application form.

### **A home where people learn and thrive**

- **Talent Management** - we develop your career
- **Work life balance** - flexible working hours and mobile working possible
- **Fit and relaxed** – with EGYM Wellpass
