

# Instrumentation design engineer (all gender)

Dahlewitz

Reference Number: REF8771T

**#weareALTEN - the home of forward thinkers**

**We are the designers of today for the world of tomorrow.**

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

**Make it happen**

**YOU...**

- create measurement design solutions for electrical propulsion systems, subsystems and components according to given requirements
- support the validation of experimental test need requirements based on agreed test cases
- support facilitation of the instrumentation review meetings as well as experimental review meetings
- down select sensors required to meet the test case needs

**Be our forward thinker**

**YOU...**

- have a degree in electrical, mechatronics, mechanical engineering or a technical qualification combined with experience in the field of electrical tests
- have already first experience in the field of test and instrumentation designing
- have a professional knowledge of Siemens NX
- are fluent in English, German is considered a plus

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

### **Do you have any questions?**

Then contact me: Alessia Svanera (Tel.: +49 40 808058839)

Or apply now using our online application form.

### **A home where people learn and thrive**

- **Talent Management** - we develop your career
- **Work life balance** - flexible working hours and mobile working possible
- **Fit and relaxed** - with EGYM Wellpass
