

# Requirements Engineer Automotive (all gender)

Munich

Reference Number: REF9077X

**#weareALTEN - the home of forward thinkers**

**We are the designers of today for the world of tomorrow.**

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

**Make it happen**

**YOU...**

- create system and software requirements for basic software, driver assistance systems, electromobility or similar in the automotive industry
- analyze, prioritize and integrate requirements as well as process bug tickets
- track project progress and ensuring software quality
- coordinate with involved departments and interface function between supplier and customer side

**Be our forward thinker**

**YOU...**

- have completed studies in business informatics, automotive engineering or comparable field of study
- gained experience in software development in the automotive environment, especially in dealing with bus systems and automotive spice

- are confident in handling with requirements or project management tools such as DOORS, Jira or Confluence
- have a good knowledge of English and German

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

### **Do you have any questions?**

Then contact me: Sophia Pollok (Tel.: +49 89 255552-278)

Or apply now using our online application form.

### **A home where people learn and thrive**

- **Talent Management** - we develop your career
- **Work life balance** - flexible working hours and mobile working possible
- **Fit and relaxed** – with EGYM Wellpass
- **Enjoy biking** – always on tour with bike leasing
- **Green Mobility** - with us you can travel at a reduced rate

...and of course we offer the usual standards such as 28 days' holiday, many events, permanent employment contract and corporate benefits.
