

# V.I.E Aerospace Design Engineer (all gender)

Donauworth

Reference Number: REF9161J

**#weareALTEN - the home of forward thinkers**

**We are the designers of today for the world of tomorrow.**

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

**Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?**

**Find out more about the V.I.E programme at [Voluntary program V.I.E – International career at ALTEN Germany \(alten-germany.de\)](https://alten-germany.de)**

**Make it happen**

**YOU...**

- create concepts and detailed designs of aerospace products and components
- use CAD programs to develop concepts and designs
- analyze the requirements, capabilities and performance of products
- verify requirements compliance and apply relevant industrial standard
- coordinate the technical decisions and work progress with the team and with the client
- research potential new product developments and new processes

**Be our forward thinker**

**YOU...**

- have a degree in aeronautical engineering, aerospace engineering, mechanical engineering, industrial engineering or a comparable course of study
- have experience in aeronautics
- have good Knowledge of Siemens NX, Catia V5 and preferably experience with Catia V6 and 3D Experience
- have willingness to learn and a high degree of initiative as well as interest in innovative topics
- are fluent in Englisch

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.
