

# V.I.E Embedded Software Developer (all gender)

Coburg

Reference Number: REF9363Q

**#weareALLEN - the home of forward thinkers**

**We are the designers of today for the world of tomorrow.**

As one of the world's leading engineering service providers, we at ALLEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

**Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?**

**Find out more about the V.I.E programme at [Voluntary program V.I.E - International career at ALLEN Germany \(alten-germany.de\)](https://www.alten-germany.de)**

**Make it happen**

**YOU...**

- will be responsible for the specification and programming of embedded software modules for control units in the automotive industry
- development of software architectures and software modules
- creation of test cases, execution of module and system tests and implementation of hardware-related ECUs
- documentation of diagnostic and functional scope of the control units
- close cooperation with other specialist departments

**Be our forward thinker**

## YOU...

- fulfill the V.I.E conditions of participation
- have a degree in electrical engineering, computer science or a comparable degree program
- have an experience in embedded software development, ideally in the automotive industry
- have first practical experience – during studies – in the programming languages C/C++, C# as well as in the bus systems CAN or LIN
- speak fluent in English, German knowledge desirable

## A home where people learn and thrive

- **Talent Management** – we develop your career
- **Language skills** – improve your language skills in your daily work or in online language courses
- **Work Life Balance** – flexible working hours and mobile working possible
- **A to Z** – Private International Health Care
- **Your future** – possibility of permanent employment with ALTEN worldwide

...and of course we offer the usual standards such as 30 days holiday, many events, relocation support and corporate benefits.

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

## Do you have any questions?
