

# Analog Mixed Signal Engineer Semiconductor (all gender)

Munich

Reference Number: REF5727R

**#weareALTEN - the home of forward thinkers**

**We are the designers of today for the world of tomorrow.**

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

**Make it happen**

**YOU...**

- are responsible for the development of architecture and circuit concepts considering e.g. DfT or ESD
- are responsible for dimensioning, simulation and optimization of circuits
- are responsible for functional and electrical verification of circuits with automated testbenches, as well as post layout verification / simulation (parasitics, I/R drop, current analysis)
- evaluate 'post silicon' measurement data and reports
- take over the estimation and planning of work packages for project planning and SoW creation

**Be our forward thinker**

**YOU...**

- have completed engineering degree in electrical engineering, physics or in similar studies
- have practical experience in Analog or Digital Mixed Signal Design

- are familiar with Cadence Layout Suite Tools
- have good communication skills in English

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity. Severely disabled persons will be given preferential consideration if they are equally qualified.

### **Do you have any questions?**

Then contact me: Özlem Mumin (Tel.: +49 89 255552-331)

Or apply now using our online application form.

### **A home where people learn and thrive**

- **Talent Management** - we develop your career
- **Work life balance** - flexible working hours and mobile working possible
- **Fit and relaxed** – with EGYM Wellpass
- **Enjoy biking** – always on tour with bike leasing
- **Green Mobility** - with us you can travel at a reduced rate

... and of course we offer the usual standards such as 28 days holiday, many events, permanent employment contract and corporate benefits.
