Web App Developer / OpenAI Chatbot (all gender)

Munich

Reference Number: REF8485E

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

Make it happen

YOU...

- implement an intelligent and grounded ChatGPT that exceeds the limitation of traditional RAG models
- develop an intelligent agent powered by a Large Language Model (LLM) for conversations with a user to answer tailored questions by retrieving information from internal company information
- are responsible for web app development, deployment and serving
- colaborate with other project members supporting on all project phases from data collection, data integration, to the chatbot development, deployment and serving

Be our forward thinker

YOU...

- have a degree in an IT related field
- are exerienced in software development: object-oriented programming language, Python, SQL, Spark

- have advanced knowledge in Azure Cloud Services and best practices: Azure Functiones, Machine Learning Studio, DevOps, Web App
- are expert in Natural Language Processing (NLP): RAG system, Chatbots, LLMs, Embeddings and Tokenization, Vector Database, Python, Langchain, OpenAI API
- have knowledge in Web Development and API Integration: Web App, Input validation, RESTful APIs, HTML, CSS, JavaScript, JSON
- have advanced knowledge in deployment and serving: CI/CD, Git, Docker

We value diversity and therefore welcome all applications – regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.
