

V.I.E Ramp-up Management (all gender)

Rüsselsheim

Reference Number: REF7487I

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at [Voluntary program V.I.E - International career at ALTEN Germany \(alten-germany.de\)](https://www.alten-germany.de)

Make it happen

YOU...

- design the production processes of launch products
- function as internal interface between the production, development and quality departments
- are responsible for various series launch and production projects and for the creation and monitoring of project plans
- manage technical reviews
- are responsible for IQA, IQF, QAU and assembly plant issues
- are responsible for continuous process optimization of special delivery processes

Be our forward thinker

YOU...

- completed vocational training in the electrotechnical field, e.g. as a technician
- have relevant professional experience in electronics manufacturing
- Ideally first experience in start-up management of products as well as in project management
- have an assertiveness and motivating work style
- have very good command of written and spoken English

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Do you have any questions?

Then contact me: Krystyna Kedziorek (+49 711 49091781)
