

V.I.E PMO Change Management Medical Technology (all gender)

Ulm

Reference Number: REF7370E

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at [Voluntary program V.I.E - International career at ALTEN Germany \(alten-germany.de\)](https://www.alten-germany.de)

Make it happen

YOU...

- are responsible for the efficient execution of the change control process
- monitor and manage change requests in R&D
- coordinate change control in collaboration with the development team
- Supports the change committee or change board
- Ensure that approved change requests are appropriately documented and implemented.

Be our forward thinker

YOU...

- fulfill the general V.I.E program requirements (EU graduate, aged between 18 and 28 years)
- have a degree in medical technology or a technical engineering science
- have already gained some professional experience, ideally in the field of medical technology, ophthalmology or other medical devices
- have a balanced understanding of product development and product manufacturing
- ideally have knowledge of the applicable standards and norms for medical devices
- are experienced in the use of the following tools: SAP, Sharepoint, Microsoft Office
- are fluent in German and English

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Do you have any questions?
