

V.I.E Quality Assurance Engineer – Rig Testing (all gender)

Donauworth

Reference Number: REF159210

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as automotive, aerospace, renewable energy, medical technology and railway technology.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at [Voluntary program V.I.E - International career at ALTEN Germany \(alten-germany.de\)](https://alten-germany.de)

Make it happen

YOU...

- are responsible for assuring the correct set-up, execution, and documentation of system integration rig tests
- perform on-site configuration checks to verify proper test set-up before execution
- witness the execution of rig tests to ensure compliance with established quality processes
- review and validate test documentation before and after test campaigns to guarantee completeness and accuracy
- contribute to continuous improvement of testing and documentation processes to maintain the highest quality standards
- collaborate closely with engineering and testing teams to ensure process adherence and effective communication

Be our forward thinker

YOU...

- fulfill the general V.I.E program requirements (EU-graduate, aged between 18 and 28 years)
- have completed a degree in aerospace engineering, mechanical/electrical engineering, quality management, or comparable studies
- have experience in quality assurance, compliance, or system integration testing, ideally in the aerospace industry or another highly regulated sector
- are analytical, detail-oriented, and enjoy working within structured processes and rules
- are a strong communicator, capable of documenting and reporting test results clearly and precisely
- speak fluent English; additional languages are a plus

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity. Severely disabled persons will be given preferential consideration if they are equally qualified.

Do you have any questions?

Then contact me: Andre Campiao (Tel.: +49 711 49064164).

Or apply now using our online application form.

A home where people learn and thrive

- **Talent Management** – we develop your career
- **Language skills** – improve your language skills in your daily work or in online language courses
- **Work Life Balance** – flexible working hours and mobile working possible
- **A to Z** – Private International Health Care
- **Your future** – possibility of permanent employment with ALTEN worldwide

...and of course we offer the usual standards such as 30 days holiday, many events and corporate benefits.
