

V.I.E Aerospace Manufacturing (all gender)

Manching

Reference Number: REF4978I

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at [Voluntary program V.I.E - International career at ALTEN Germany \(alten-germany.de\)](https://www.alten-germany.de)

Make it happen

YOU...

- design, develop, and improve manufacturing processes, systems, and equipment to optimize production, reduce costs, and enhance quality
- run process simulations to validate different production rates and scenarios before implementation
- create Business Process Models and flowcharts to map workflows and identify areas for improvement
- apply Value Stream Mapping to analyze production steps, buffer stocks, and detect bottlenecks
- contribute to the introduction of digital tools in manufacturing, including software solutions that support production processes
- collect, clean, and analyze production data to identify trends, patterns, and opportunities for optimization

Be our forward thinker

YOU...

- hold a degree in mechanical, aeronautical, industrial, or production engineering, or a comparable field of study
- bring knowledge of manufacturing or process engineering, ideally within the aeronautics sector
- have experience with tools such as Skywise, AnyLogic, SAP, ARIS, CATIA, SolidWorks, or comparable systems
- are eager to work in a dynamic project environment, bridging engineering expertise with practical implementation
- speak fluent English and have a good command of German

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Do you have any questions?

Then contact me: Andre Campiao (Tel.: +49 711 49064164).

Or apply now using our online application form.

A home where people learn and thrive

- **Talent Management** – we develop your career
- **Language skills** – improve your language skills in your daily work or in online language courses
- **Work Life Balance** – flexible working hours and mobile working possible
- **A to Z** – Private International Health Care
- **Your future** – possibility of permanent employment with ALTEN worldwide

...in addition we offer you corporate benefits and team events.
