

Manufacturing Engineer – Standard Operating Instructions (SOI) (all gender)

Donauworth

Reference Number: REF18284B

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

More than 50,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Make it happen

YOU...

- create and update Standard Operating Instructions (SOIs) and technical work instructions for manufacturing processes
- translate engineering requirements into clear, usable documentation for the shopfloor
- work with SAP production modules to manage and integrate process documentation
- use drawing tools (preferred: CATIA V5) to interpret technical data and models
- collaborate with Manufacturing Engineering, Production and Quality to ensure accurate and compliant instructions

Be our forward thinker

YOU...

- bring relevant professional experience in Manufacturing Engineering, Technical Documentation or a similar field

- bring proven expertise in creating work instructions/SOIs for industrial production
- are proficient in SAP and familiar with CATIA V5 or comparable tools
- understand manufacturing processes, ideally in aerospace or other high-precision industries
- can read engineering drawings and communicate clearly with technical and production teams
- speak fluent English; German is a plus

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive

- **Talent Management** - we develop your career
- **Work life balance** - flexible working hours and mobile working possible
- **Fit and relaxed** – with EGYM Wellpass
- **Enjoy biking** – always on tour with bike leasing
- **Green Mobility** - with us you can travel at a reduced rate

...in addition we offer a permanent employment contract, corporate benefits and team events.
