V.I.E Network Planner Fiber Optic Expansion (all gender)

Cologne

Reference Number: REF7345W

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at Voluntary program V.I.E - International career at ALTEN Germany (alten-germany.de)

Make it happen

YOU...

- are responible for the planning and documentation of copper and fiber optic networks taking into account the installed technology
- participate to the conceptual design of routes and their control for completeness and correctness
- have the responsibility for equipping cable distributors as well as their measurement and adjustment
- provide the documentation of the entire planning process
- communicate with responsible site managers

Be our forward thinker

YOU...

- meet the general requirements of the V.I.E. programme (EU citizen, between 18 and 28 years old)
- completed studies in communications engineering, civil engineering, geodesy, geoinformatics, geography or comparable qualification such as state-certified technician (m/f/d)
- have practical experience in the field of network documentation and planning or in the field of pipeline networks such as electricity, water, gas
- are experienced handling of Megaplan or QGIS, Arc-GIS, CableScout, AutoCAD, Connectmaster or similar
- have a good written and spoken German

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.
