V.I.E Aerospace certification Engineer (all gender)

Donauwörth

Reference Number: REF9136K

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at Voluntary program V.I.E – International career at ALTEN Germany (alten-germany.de)

Make it happen

YOU...

- are responsible for the certification of airborne software and electronic hardware used in civil helicopter systems
- perform technical analysis of software/hardware development and verification plans
- prepare the necessary approval documentation (compliance evidence, certification plans, verification reports)
- contribute to the definition of the certification strategy in line with DO-178C / DO-254 processes
- collaborate with system managers, software/hardware engineers, technical experts, and project managers
- follow up, review compliance data, and ensure that certification activities are completed on time

Be our forward thinker

YOU...

- fulfill the general V.I.E program requirements (EU-graduate, aged between 18 and 28 years)
- have completed an aerospace engineering, computer engineering, or comparable degree
- have experience in certification engineering, compliance, or avionics development in the aerospace industry
- are familiar with DO-178C (software) and DO-254 (hardware) standards, and their role in aviation certification
- are an open and communicative person
- speak fluent English; additional languages are a plus

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity. Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive
