

Lead Systems Engineer Aerospace (all gender)

Manching

Reference Number: REF20044H

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

This position can be located in **Manching** or **Friedrichshafen**.

Make it happen

YOU...

- structure, develop, and maintain MBSE system models for complex aerospace systems
- transform requirements, specifications, and technical documentation into SysML models
- ensure the consistency, quality, and traceability of system models
- create and prepare model-based views and deliverables for internal and external stakeholders
- collaborate closely with experts in hardware, software, electronics, and avionics engineering

Be our forward thinker

YOU...

- hold a degree in Aerospace Engineering, Electrical Engineering, Computer Science, Systems Engineering, or a comparable technical discipline

- have several years of extensive experience in systems engineering for complex, safety-critical systems, ideally in a leadership role
- possess solid knowledge of aerospace development processes according to ARP4754A/B, ideally within the context of DAL A avionics and IMA platforms
- have hands-on experience with CAMEO Systems Modeler, SysML/UML, and IBM DOORS
- work in a structured and analytical manner and enjoy collaborating in interdisciplinary teams
- know the english language fluently

We value diversity and therefore welcome all applications – regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive

- **Talent Management** - we develop your career
- **Work life balance** - flexible working hours and mobile working possible
- **Fit and relaxed** – with EGYM Wellpass
- **Enjoy biking** – always on tour with bike leasing
- **Green Mobility** – with us you can travel at a reduced rate

...in addition we offer a permanent employment contract, corporate benefits and team events.
