#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Make it happen

YOU...

- develop, maintain, and continuously optimize integrated production and project schedules for satellite manufacturing, integration, and testing (AIT) activities
- translate project milestones into realistic schedules and ensure alignment of activities, resources, and delivery targets
- coordinate planning activities across Engineering, Manufacturing, Procurement, Quality, Logistics, and Project Management
- monitor schedule performance, KPIs, critical paths, and key milestones while proactively identifying bottlenecks and deviations
- analyze the impact of material shortages, capacity constraints, resource conflicts, and scheduling risks, and drive mitigation actions
- prepare forecasts, status reports, and planning scenarios to support Production and Project Management decision-making

Be our forward thinker

YOU...

- hold a degree in Engineering or a comparable technical qualification
- have experience in production planning, scheduling, operational planning, project planning, or resource planning
- possess good knowledge of SAP and Excel; experience with Unified Planning (UP), Planisware, Primavera, MS Project, or comparable planning tools is an advantage
- have a solid understanding of manufacturing, assembly, integration, testing, or industrial operations
- stand out through strong communication and coordination skills and are comfortable working with a wide range of stakeholders across different functions

We value diversity and therefore welcome all applications – regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.
