V.I.E System Engineer Obsolescence (all gender)

Hamburg

Reference Number: REF21193S

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at Voluntary program V.I.E - International career at ALTEN Germany (alten-germany.de)

Make it happen

YOU...

- analyze and manage system requirements
- derive and cascade requirements from higher system levels
- perform verification and validation (V&V) activities
- evaluate electrical and hardware systems within the project environment
- create and maintain technical documentation and collaborate with cross-functional teams

Be our forward thinker

YOU...

- fulfill the general V.I.E program requirements (EU-graduate, aged between 18 and 28 years)
- hold a master's degree in electrical engineering, electronics, telecommunications, or a comparable field
- possess professional experience in systems engineering and requirements engineering
- demonstrate knowledge of electrical systems, hardware systems, and ideally wiring diagrams and electrical drawings
- have experience with IBM DOORS and proficiency in MS Office and Google Workspace (G-Suite)
- have business-level English proficiency and a basic knowledge of German

We value diversity and therefore welcome all applications – regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive
