Rust Developer WebUI (all gender)

Munich

Reference Number: REF21269S

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Make it happen

YOU...

- design and develop modern WebUI applications using Angular and TypeScript, with a strong focus on usability, responsiveness, and performance
- build and maintain backend services in Rust and ensure seamless integration between WebUI and backend components
- develop and integrate RESTful APIs and WebSocket-based communication to support real-time features within the WebUI
- create interactive data visualizations and implement efficient state management solutions to deliver an outstanding user experience
- collaborate with cross-functional teams to deliver secure, scalable, and well-tested WebUI solutions following modern software engineering practices

Be our forward thinker

YOU...

- hold a degree in Computer Science, Software Engineering, Information Technology, or a comparable technical field, or you have equivalent practical experience
- have strong hands-on experience in Rust development

- have experience building backend services for web-based applications
- have proven experience developing WebUIs with React, Angular, or Vue.js, as well as JavaScript, or TypeScript
- have experience connecting frontend and backend systems through APIs, WebSockets, and modern integration patterns
- are proficient with development tools and frameworks such as Git, npm/yarn, and CI/CD pipelines

We value diversity and therefore welcome all applications – regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive

- **Talent Management -** we develop your career
- **Work life balance -** flexible working hours and mobile working possible
- **Fit and relaxed –** with EGYM Wellpass
- **Enjoy biking –** always on tour with bike leasing
- **Green Mobility** – with us you can travel at a reduced rate

…in addition we offer a permanent employment contract, corporate benefits and team events.
