V.I.E Software Engineer - Aeronautics (all gender)

Friedrichshafen

Reference Number: REF21379U

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at Voluntary program V.I.E - International career at ALTEN Germany (alten-germany.de)

Make it happen

YOU...

- develop and maintain software applications with a focus on Java-based solutions
- implement and enhance data processing functionalities to support business and operational needs
- contribute to the design, optimization, and maintenance of application backends and data flows
- support the modernization and further development of frontend applications
- participate in software migration and improvement projects to ensure maintainability and long-term scalability

Be our forward thinker

YOU...

- fulfill the general V.I.E program requirements (EU graduate, aged between 18 and 28 years)
- hold a degree in Computer Science, Software Engineering, Information Technology, or a related field
- have professional experience in software development with Java
- have knowledge of modern frontend technologies, ideally Angular
- are familiar with software architecture principles and application development best practices

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive
