V.I.E Business Process Manager (all gender)

Hamburg

Reference Number: REF21630X

#weareALTEN - the home of forward thinkers

We are the designers of today for the world of tomorrow.

As one of the world's leading engineering service providers, we at ALTEN are committed to positively shaping the future of our partners, the careers of our employees and the challenges facing our society and environment.

Nearly 60,000 employees in 30 countries are already working on innovative solutions in various engineering and IT sectors such as aerospace, renewable energy, medical technology, railway technology and automotive.

Are you a graduate with EU citizenship aged 18 to 28 and want to gain work experience in Germany?

Find out more about the V.I.E programme at Voluntary program V.I.E - International career at ALTEN Germany (alten-germany.de)

Make it happen

YOU...

- prepare, conduct and follow up Value Stream Mapping workshops with different departments
- support the team in Value Stream Management and Business Process Management activities
- model business processes using ARIS
- document and analyze process-related results
- coordinate process requirements with relevant stakeholders

Be our forward thinker

YOU...

- fulfill the general V.I.E program requirements (EU-graduate, aged between 18 and 28 years)
- hold a degree in Industrial Engineering, Business Administration, Process Management or a comparable field
- possess knowledge of Value Stream Management and Business Process Management
- have experience in business process modeling
- have experience with ARIS and Google Workspace
- have business-fluent German and English language skills

We value diversity and therefore welcome all applications – regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation and identity.

Severely disabled persons will be given preferential consideration if they are equally qualified.

Apply now using our online application form.

A home where people learn and thrive
